

Yealink BH76 Bluetooth Business Headset with Charging Stand

Product Name: Yealink BH76 Bluetooth Business Headset with Charging Stand

Manufacturer: Yealink

Model Number: BH76 CS Teams Black USB-A

Yealink BH76 Bluetooth Business Headset with Charging Stand

The BH76 headset by Yealink is designed to cater to the wireless needs of modern-day users. This headset highlights hybrid mode, perfect for those who split their time between the office and home. Its sleek and appealing design earned it recognition as the winner of the prestigious Red Dot and IF awards. The BH76 boasts ultimate comfort with high-quality fabric headphones and features a unique retractable microphone boom that adds a touch of discretion for professionals using it both in the personal and professional context.

Yealink BH76 Key Features

- Includes wireless charging stand
- Multiple microphones with Acoustic Shield Technology
- 4 levels of ANC
- Qualcomm aptXHD
- Retractable hidden microphone arm
- Up to 40 hours wireless battery life
- Dual-side busylight for full visible angles
- Excellent audio experience and all-day wearing comfort

With Business and Stylish Appearance

The Yealink BH76 Bluetooth Wireless Headset series is equipped with Yealink's uniquely designed retractable hidden microphone arm with a magnetic slide. You can easily pull out the microphone boom arm to obtain professional audio quality and hide the microphone boom arm to obtain a stylish appearance. It allows users to enjoy music more simply and easily adapt to various outdoor activities.

Multiple Microphones Acoustic Shield Technology

With the Yealink Acoustic Shield Technology, the five Microphones built into the BH76 block the background noise automatically but ensure that the participant voice can be heard clearly, which greatly boosts communication efficiency.

Ultimate Music and Calling Experience

Designed for music and calls, BH76 supports a dynamic EQ that can automatically switch between call mode and music mode. With Qualcomm aptX digital audio algorithm, BH76 can bring users a CD-level lossless audio quality experience. The BH76 supports 4 levels of active noise cancellation (ANC) that can bring an excellent noise reduction effect for users in any noise environment. The passive noise reduction performance brought by the new beveled ear cushion design and oval memory foam of the BH76 can provide a great listening experience for users.

Multi-functional Wireless Charging

Its long battery life offers up to 40 hours, saving users from searching for a charger. The BH76 supports USB and wireless charging. The optional Qi charging stand for the BH76 provides easy charging while keeping the device on the desk. This charger works for any mobile that supports Qi and personal devices such as TWS.

Visible Busylight for Ultra-wide Angle

When users make a call or attend a meeting, the visibility indicators on both sides of the BH76 automatically glow red to reduce external interference and allow users to focus on the conversation.
