

Snom M6 DECT Repeater

Product Name: Snom M6 DECT Repeater

Manufacturer: Snom

Model Number: M6

Snom M6 DECT Repeater

The snom M6 DECT repeater extends the range of DECT base stations, whether in multicell or single base setups, across multiple floors or large buildings without a LAN connection. It enhances transmission and reception ranges, creating a seamless wireless network for uninterrupted conversations.

Snom M6 DECT Repeater Key Features:

- Works with both multi-cell and single-cell base configurations.

- Handles 8 simultaneous calls.

- Extended range without network connection

- Wideband audio quality

Compatible with various single and multi-cell systems like M300, M400, M700, and M900, the M6 repeater optimizes DECT network performance. Users can move freely between stations without losing conversation quality, making it a reliable solution for improved DECT system capabilities.

Snom M6 DECT Repeater Technical Specifications

Basics

- Product information

- DECT repeater

- Colour: white

- Compatible with Snom DECT multicell systems

- Placement: indoor, desktop, wall mounting

- Antenna diversity: 2 internal omni-directional antennas

- Daisy-chain up to 6 repeaters

Dimensions and weight

- Dimensions (H x W x D, approx.): 112 mm × 90 mm × 36 mm

- Weight (approx.):

- DECT repeater: 120 g

- Power adapter: 60 g

Indicators and keys

- Multi-purpose status indication: 1 dual-colour LED

- 1 dedicated function key: Reset

Interfaces and connections

- Power options:

- Power adapter: 100 - 240 V AC / 50 - 60 Hz | 5.5 V DC / 300 mA

- Wired interfaces:

Snom M6 DECT Repeater

- Power adapter: coaxial power connector (socket)

- Wireless interfaces:

- DECT: 1

DECT technology and features

- Standard: DECT (DSAA2)

- Authentication/encryption of base and handset

- Seamless handover

- 12 time slots

- Receiver sensitivity: -92 dBm

- Frequency band:

- Europe: 1,880 - 1,900 MHz

- Latin America: 1,910 - 1,930 MHz

- USA: 1,920 - 1,930 MHz

Coverage

- Up to 50 m indoor range

- Up to 100 m outdoor range

- Simultaneous calls per repeater:

- Wideband calls: up to 2

- Narrowband calls: up to 4

Related features

- Zero-Touch installation

- Auto registration when not registered

Package contents

- Hardware:

- DECT repeater M6

- Power adapter

- Power adapter clips: EU, UK, USA

Price: £115.10
