

Yealink MP52 Teams Edition

Product Name: Yealink MP52 Teams Edition

Manufacturer: Yealink

Model Number: MP52-Teams

Yealink MP52 Teams Edition

The Yealink MP52 Teams Edition is a budget-friendly Teams phone that operates on the Android 9.0 OS. Boasting high performance and practical functionalities, it stands out for its exceptional calling experience. The device's design incorporates physical navigation buttons rather than a touchscreen, making it particularly suitable for shared or common areas. This design choice also supports a seamless migration from Skype for Business to Teams.

Yealink MP52 Teams Edition Key Features:

- Excellent Calling Experience
- Common Area Phone
- Efficient Management
- Wall mountable

Supported by Microsoft, the MP52 guarantees consistent Teams calling and meeting experiences. Its integration ensures improved productivity in daily work tasks. With its cost-effectiveness, practical features, and focus on enhancing communication and collaboration, the Yealink MP52 proves to be a valuable addition for teams transitioning to the Teams platform.
