

Yealink WH63 Portable UC DECT Wireless Headset

Product Name: Yealink WH63 Portable UC DECT Wireless Headset

Manufacturer: Yealink

Model Number: WH63 Portable UC

WH63 Portable DECT

The WH63 Portable DECT headset offers an independent and convenient solution, eliminating the need for a traditional DECT Base. This flexibility makes it ideal for hybrid work setups and on-the-go professionals. Its compatibility with various platforms ensures seamless integration with your UC system, enhancing call quality, promoting effective communication, and reducing IT expenses. Whether connected to a PC or desk phone, this headset enhances productivity through a user-friendly interface, and its Microsoft Teams certification includes a dedicated button for easy activation.

WH63 Portable DECT Key Features:

- Ultra Portable
- Acoustic Shield
- Optima Audio Experience
- Four wearing options

Featuring Yealink Acoustic Shield technology, these DECT headsets employ dual microphones to effectively eliminate background noise during calls, delivering HD voice quality to your listeners and enabling distraction-free conversations. With its dual microphone design, this headset guarantees an improved communication experience for your customers. Discover the benefits of a wireless office headset and experience superior call quality firsthand.
