Yealink UH36 Dual USB Teams headset

The Yealink UH36 Dual USB Teams headset is a USB wired headset crafted specifically for Unified Communication, office work, and call center professionals. It boasts top-notch audio quality and exceptional comfort, ensuring that every conversation you have is a truly enjoyable experience. With seamless integration into Yealink's IP phone and device management platform, the UH36 headset is a reliable choice. Much like the Yealink UH36 Dual UC however the Yealink UH36 Dual Teams comes with a button to integrate directly with Teams.

Yealink UH36 Dual USB Teams headset Key Features:

• All Day Wearing Comfort

• Simple and Flexible Connectivity

• Excellent Audio Performance

• Flexible Plug-and-Play Connectivity

Tailored for Unified Communication needs, the UH36 professional headset offers versatile connectivity options, including USB-A, USB-C, and a 3.5mm jack, allowing you to effortlessly connect to a variety of devices such as IP phones, PCs, tablets, and smartphones. Thanks to Yealink's Dynamic EQ and Wideband HD Audio Technology, your conversations will be crystal clear and rich in detail. Additionally, the passive noise cancellation and noise-canceling microphone actively work to eliminate background noise, enhancing audio privacy. Its ergonomic and lightweight design ensures comfort even during extended conference calls and all-day use.
