

Yealink Bluetooth handset for T58W Range

Product Name: Yealink Bluetooth handset for T58W Range

Manufacturer: Yealink

Model Number: BTH58

Yealink Bluetooth handset for T58W Range

The Yealink Bluetooth handset utilises Bluetooth 5.0 technology, offering an impressive communication range of up to 10 meters. When paired with Yealink T58W or MP58 phones, this enables you to step away from your desk while on calls, enhancing your productivity and flexibility. Equipped with high-definition speakers and a microphone, the BTH58 delivers an exceptional calling experience. Its 10% anti-packet loss rate ensures call stability and preserves clear and high-fidelity voice quality.

Yealink Bluetooth handset Key Features:

- 1/2 HD speaker and microphone

- 1/2 Bluetooth 5.0

- 1/2 Working range of up to 10m from the phone
