

Grandstream GHP610 Hotel phone in White

Product Name: Grandstream GHP610 Hotel phone in White

Manufacturer: Grandstream

Model Number: GHP610

Grandstream GHP610 Compact Hotel Phone

The GHP610 is a compact IP phone that provides an HD speaker on the handset, 2 SIP accounts/lines, 10 speed dial keys and 3 programmable keys. Part of the GHP Series of Hotel Phones, these simple IP phones are also ideal for hospitals, apartments, dormitories, retail and more.

Note: This model does not include WiFi. Please see the GHP610W or GHP611W for models with integrated dual-band Wi-Fi support.

GHP610 Key Features:

- 2 SIP Accounts, 2 Line
- GDMS online device management and provisioning
- 3-way audio conferencing for easy conference calls
- Includes one 100Mbps network port with PoE (GHP620)
- Speed dial label and swappable faceplate to allow for easy customisation
- Hearing Aid Compatibility (HAC)
- Enterprise-level protection including secure boot, dual firmware images, and encrypted data storage

The GHP Series is supported by Grandstream's Device Management System (GDMS), which provides a centralised interface to configure, provision, manage and monitor deployments of Grandstream endpoints. Thanks to a compact design that can be easily used on a desktop or wall-mounted, the GHP610 is ideal for hotel deployments as well as many other similar environments.
