

Yealink Wireless Presentation & Collaboration System

Product Name: Yealink Wireless Presentation & Collaboration System

Manufacturer: Yealink

Model Number: RoomCast

Yealink Wireless Presentation & Collaboration System

The Yealink RoomCast, functioning as an enterprise-level wireless presentation system, enables participants to seamlessly cast their screens to a TV simultaneously using various methods such as Yealink Wireless Presentation Pod, Miracast, AirPlay, and Google Cast. The system also incorporates interactive collaboration features, enhancing local collaboration within traditional meeting rooms and contributing to increased productivity.

Yealink RoomCast Key Features:

- Unlimited Casting, Higher Productivity
- Multi-Party Collaboration, Creativity Simulating
- Safe, Reliable, and IT-Friendly

In addition to its compact design and built-in 802.11ac 2x2 MIMO Wi-Fi, Yealink RoomCast supports STA/AP/P2P Wi-Fi modes concurrently. It offers flexibility by providing the option of PoE or DC power supply. With these features, Yealink RoomCast stands out as the preferred wireless presentation solution for small and medium-sized meeting rooms or multimedia classrooms.

Yealink RoomCast Technical Specifications

Decoder

• 4k/60fps

Connectivity

- Gigabit Ethernet
- 802.11ac 2x2 MIMO Wi-Fi
- Bluetooth 5.0
- Ultrasonic communication

Interface

- 1 x HDMI-out
- 1 x Gigabit Ethernet Port (PoE supported)
- 2 x USB type-A
- 1 x Reset Slot
- 1 x Power connector
- 1 x Kensington Security Slot

Power Supply

- Power over Ethernet (IEEE 802.3af)
- 12V Power Adapter

Presentation

- Yealink Wireless Presentation Pod
- Miracast
- AirPlay
- Google Cast

Yealink Wireless Presentation & Collaboration System

Extended desktop

• Available for Windows

• Requires Miracast or Yealink Wireless Presentation Pod

Collaboration

• Whiteboard

• Annotation

• Intuitive Remote Control

Number of sources simultaneous on screen

• Four

Security Guarantee

• Cast streaming isolated in local area network

• WPA2-PSK encryption for Wi-Fi network

• With AES 128 encryption for data protection

• PIN code to prevent unwanted stream

Device Management

• Yealink Management Cloud Service

• Yealink Device Management Platform

Dimensions

• Size (mm): 145 x 72.5 x 23.5 (5.71" x 2.85" x 0.93")

• Weight: 0.192kg (0.423 lb)

Price: £258.10
