

Yealink MP54 E2 Teams (MP54 E2 Teams)

Product Name: Yealink MP54 E2 Teams (MP54 E2 Teams)

Manufacturer: Yealink

Model Number: MP54 E2 Teams

Yealink MP54 E2 Teams (MP54 E2 Teams)

The Yealink MP54 E2 Teams phone combines advanced features with a user-friendly design. Powered by Android 13, it offers a smooth and reliable performance, ensuring a seamless experience throughout its lifecycle. The 4-inch touchscreen provides easy navigation, while HD audio delivers clear and crisp communication. A dedicated Teams button allows quick access to Microsoft Teams features, optimizing collaboration. With built-in Bluetooth and WiFi, the MP54 E2 offers flexible connectivity, making it an ideal choice for modern, hybrid work environments. Yealink MP54 E2 Teams Key Features:

- Android 13
- 4" Touch Screen
- HD Audio
- Teams Button
- Built-in BT and WiFi

Future-Proof, Fast and Safe Call

Boosted by a significant performance improvement, Android 13 supports extended software updates and ensures a consistently smooth experience throughout the product's lifecycle. Built on Android 13, initially adopted by Yealink, its verification system, encryption, and access management provide robust security across the device, application, runtime, network, and data layers. The MP54 E2 ensures that every call is both fast and secure.

MDEP Coming Soon, Stay Ahead in Security and Management

Easy Deployment: Streamline device deployment, minimizing cost and complexity. **Enhanced Management:** Assist IT professionals in identifying issues and automatically resolving them without the need for manual intervention. **Integrated Security Mechanisms:** Authorized access, hardware-backed device attestation, and secure monitoring services work together to effectively counteract malicious attacks and prevent data leaks.

To Hear, To Voice Communicate to Create

Driven by Yealink Optimal HD audio, Acoustic Shield, and Smart Noise Filtering, enjoy high-quality communication without the distraction of excessive noise. Benefit from improved audio clarity with loudness enhancement, hands-free speakerphone with AEC, and full-duplex technology, ensuring seamless communication of every idea. With support for the HAC handset, the MP54 E2 creates an inclusive auditory experience for all. Hear, connect, and create.

Press or Touch, A Real Phone

Touchable hard keys make dialing quick and precise. Simply click, pick up, and call with the dial pad in hand. Boost your productivity with the MP54 E2's 4-inch capacitive touchscreen, designed with an advanced anti-fingerprint feature.

Intuitive Microsoft Teams Interface, Native Calling Experience

Experience effortless use with the MP54 E2's Microsoft Teams-optimized interface, featuring essential calling functions tailored for front desks and office workers. With built-in Bluetooth and Wi-Fi, the MP54 E2 offers enhanced connectivity, adapting seamlessly to your hybrid work style. Its smooth device integration enables efficient communication with others.
