Yealink EHS36 Wireless Headphone Adapter
The Yealink EHS36 is a wireless Headphone Adapter that provides the technical interface between your Yealink T28P or T26P telephone and a compatible wireless headset. The EHS36 is approved for use with major manufacturers including Plantronics' and Jabra's wireless models. Yealink EHS36 Key Features

ï¿½ Wireless Headset Adapter EHS36
ï¿½ Full compatible with Jabra & Plantronics
ï¿½ Control phone through wireless headset
ï¿½ Plug and play, Easy to use
ï¿½ Supports T28P, T26P and T4 series Yealink phones

The unit is easy to install, simply link the Yealink EHS36 to the EXT port on the phone and, effectively 'plug and play' giving you control of your Yealink phone and the ability to answer and hang up calls remotely.
It has been especially designed to ensure maximum productivity in business applications such as receptions, call centres and general telephone use and is ideal for the Corporate, Financial, Health, Government, Educational, Industrial, and SME/SoHo market sectors.
