

VoiSmart MINI IP 2 BRI PBX

Product Name: VoiSmart MINI IP 2 BRI PBX

Manufacturer: -

Model Number: MINI 2BRI

Availability: In Stock

VoiSmart MINI IP 2 BRI PBX

Mini IP manages up to 16 users and 6 nominal lines with a combination VoIP and integrated ISDN BRI. Mini IP is built with anodized aluminum compact fanless case, it uses only flash memory in order to avoid any movement parts. Mini IP has integrated 2 ISDN BRI interfaces, 2 Ethernet interfaces, 2 USB and a serial port for debugging. Target: SOHO, small office, remote office Mini IP is small in size but big in performances, as it offers the same high end software that VoiSmart deploys in its large corporate Unified Communications systems: the power of a giant in a nutshell!

• Ideal up to 16 users

• Maximum 6 lines (VoIP and/or PSTN)

• Analog, ISDN interfaces with external gateways

• Terminals IP, BCA (with gateway), WiFi

• Case fanless/diskless, compact flash, 2 USB ports, 2 LAN 10/100 ports

• Fax Server Integrated up to 2 concurrent faxes (optional)
