

Gigaset DE700 IP PRO VoIP Phone

Product Name: Gigaset DE700 IP PRO VoIP Phone

Manufacturer: -

Model Number: DE700

Please Note: The Gigaset DE700 has been discontinued. For an alternative, we highly recommend the Gigaset PRO Maxwell 10.

Gigaset DE700 IP PRO VoIP Phone

The Gigaset DE700 IP PRO is an IP phone designed for small and medium businesses that demand an expert phone system to manage their professional calls and contacts. Convenient navigation, multiple expansion options, a host of executive features, hassle-free set up, and exceptional wideband sound make the DE700 from Gigaset perfectly suited for intuitive business communication.

Gigaset DE700 Key Features

- 3.5" colour TFT display with award-winning user interface
- Touch wheel for fast directory scrolling
- Up to 8 SIP accounts
- Exceptional HD sound with HDSP
- MP3 ringtones
- Classic PBX calling features
- Direct dialing of Microsoft Outlook contacts via PC
- Local network directories and public online directory
- SRTP/TLS encryption
- Professional zero-touch auto-provisioning setup
- Certified hearing aid compatible
- Energy-saving ECO features
- Headset connection: corded
- Gigabit Ethernet (10/100/1000) with 2-port switch
- Integrated power over Ethernet
- XML browser and Info Center: weather, RSS and more

Outstanding Display with User Interface

The intuitive, icon-based user interface on the illuminated 3.5" colour display grants access to the Gigaset DE700 IP PRO's contact and call management options. Special features include a customizable screensaver and slideshow, an animated menu and address book, and a caller time zone indicator.

Easy and Convenient Navigation

Quick and ergonomic, the 5-way touch wheel simplifies navigation on the Gigaset DE700 IP PRO, with a high-performance processor for real-time speed on address book browsing and other premium features.

Easy Expandability Options

Simple to connect, the optional Gigaset Expansion Module enlarges the Gigaset DE700 IP PRO by an additional 14 programmable keys with dual-coloured LED.

Straight Forward Setup and Auto-Provisioning

Step by step wizards handle the Gigaset DE700 IP PRO's complete installation and configuration. Auto-provisioning from Gigaset partners offer hassle-free remote configuration and management. Downloadable VoIP profiles guarantee an easy start.

Professional HD Sound

Exceptional HDSP sound on the Gigaset DE700 IP PRO adds business efficiency: superb and clear wideband audio technology makes calls sound like face to face meetings.

Note: Please refer to the Gigaset VoIP Phone Range Detailed Comparison Table for more information.
