2 Year Limited

Part Number
011102*, RAL 9002, Gray White, Standard 011103, RAL 9003, Signal White, Optional *Replaces the 011065 number.

The CyberData VoIP Ceiling Speaker is for use with Singlewire's paging and emergency notification software InformaCast®; or InformaCast CK. This PoE-powered IP Speaker hooks up easily to new and existing Singlewire installations.

The speaker calculations are based on equal-sided, unobstructed rooms. For elongated rooms like hallways or for obstructed rooms, additional ceiling speakers may be required.
