

Gigaset DE410 IP PRO VoIP Phone

Product Name: Gigaset DE410 IP PRO VoIP Phone

Manufacturer: -

Model Number: DE410

Please Note: The Gigaset DE410 has been discontinued. For an alternative, we highly recommend the Gigaset PRO Maxwell 10.

Gigaset DE410 IP PRO VoIP Phone

The Gigaset DE410 IP PRO is a VoIP phone for small and medium businesses demanding affordable phone systems to manage their professional calls and phonebooks. The flexible use, hassle-free setup and exceptional wideband sound of the Gigaset DE410 make it perfectly suited for intuitive business communication.

Gigaset DE410 VoIP Phone Key Features

- Adjustable 5-line display plus icon area, b/w inverted
- 5-way navigation key for easy operation
- Up to 6 SIP accounts
- Exceptional HD sound with HDSP
- Multiple ringtones, selectable per line
- Headset connection: corded
- Ethernet (10/100) with 2-port switch
- Integrated power over Ethernet
- Classic PBX calling features
- Direct dialing of Microsoft Outlook® contacts via PC
- Local network directories and public online directory
- SRTP/TLS encryption
- Professional zero-touch auto-provisioning setup
- Certified hearing aid compatible
- Energy-saving ECO features
- Wall-mountable (adaptor included)

Adjustable display always provides a comfortable view from different positions

The intuitive user interface with an extra icon row on the illuminated black/white display grants easy access to the Siemens Gigaset DE410 IP PRO's call management options.

Easy and convenient navigation

Quick and ergonomic, the 5-way navigation key simplifies operation on the Siemens Gigaset DE410 IP PRO, with real-time speed on phonebook-browsing and other professional features.

Easy expandability options

Simple to connect, the optional Gigaset Expansion Module enlarges the Siemens Gigaset DE410 IP PRO by an additional 14 programmable keys with red LED.

Straightforward setup and auto-provisioning

Step-by-step wizards handle the Siemens Gigaset DE410 IP PRO's complete installation and configuration. Auto-provisioning from Gigaset partners offers hassle-free remote configuration and management. Downloadable VoIP profiles guarantee an easy start.

Professional HD sound

Exceptional HDSP sound on the Siemens Gigaset DE410 IP PRO adds business efficiency: superb and clear wideband audio technology makes calls sound like face-to-face meetings.

Note: Please refer to the Gigaset VoIP Phone Range Detailed Comparison Table for more information.
