Gigaset A540H DECT Handset

The Gigaset A540H DECT Handset is the upgraded replacement for the Gigaset A510H handset. The Gigaset A540H has a 1.8" high contrast display and a modern slim, sleek design. This handset can be customised to the personal taste of the user with a choice of background colours and ringtones. The A540H is ideal for use as a basic handset with the Gigaset N300IP and N510IP* DECT base stations.

Gigaset A540H DECT Handset Key Features
