Spectralink PIVOT:S 8742 EU Black Handset Only

The Spectralink PIVOT 8742 Android Handset expands the Spectralink 8000 Portfolio of Voice over Wi-Fi handsets to deliver enterprise grade, on-site voice mobility with a user-friendly interface presented on an extensible application platform.

Spectralink PIVOT:S 8742 Key Features

- Spectralink's high performance audio and voice over WLAN implementation
- Enterprise SIP and WLAN features
- Android-based home page, user interface, settings utility, applications
- Highly customisable platform via optional feature licenses
- Large, optically bonded, damage-resistant glass touchscreen
- Multi-touch pan, zoom, swipe-gesture navigation
- Dedicated hard buttons for emergency dial (red button), scanning and Push-to-Talk (PTT)
- Chemical resistance to commonly used cleaning solutions
- Secure Over-the-Air (OTA) provisioning and management

Based on the industry standard Android operating system, the PIVOT is a WorkSmart solution - differentiated by its intuitive touchscreen design, HD voice quality, seamless Voice over Wi-Fi roaming without dropouts, durability, broad telephony and WLAN interoperability, and predictable return on investment.

PIVOT further enhances the customer value proposition with two enhanced standards-based application interfaces, an optional, high-performance integrated barcode scanner and an industrial-grade accelerometer. In partnership with the Spectralink applications development ecosystem, PIVOT enables new opportunities for end-user productivity solutions.
