Cetis Teledex NDC2110S 10GSK IP Phone

The Cetis Teledex NDC2110S is a cordless small footprint telephone with 1 SIP line, built specifically for the hospitality guestroom. Designed to embrace the sleek style of the modern hotel guestroom, the I Series provides a familiar user interface for your guests in your choice of single and two-line, analog and VoIP, corded and cordless configurations. Choose 0, 3, 5, or 10 programmable guest service keys, an optional speakerphone, and patented OneTouch voice mail retrieval technology. The I Series cordless telephones reduce the need for multiple telephone jacks in the guestroom, supporting up to 3 additional AC-powered RediDock charging stations, and providing guests with a cordless home-like environment. Like all of the cordless Teledex phones, the I Series phones are also available with optional battery backup for use during power outage situations.
