Cetis Telematrix 9602IPMWD 10GSK 2 Line IP Phone
The Cetis Telematrix 9602IPMWD is an IP phone with a bold design, smart features, and legendary performance. The TeleMatrix 9600 Series cordless phones enable users to choose from 7 standard or custom colour handset accents to match any room décor and coordinate style with functionality. The features of the phones include patented OneTouch voice mail technology for hands-free auto-dialing and retrieval, and an integrated Ethernet pass-through port for guest connectivity.AutoSync pairing automatically registers remote 9600 Series cordless handsets with the base unit when in the cradle to avoid failures from misplaced handsets. The optional battery backup feature also helps assure guest connectivity during power outages.
