Cetis Teledex M200IP10 2 Line SIP Phone
The Cetis Teledex M200IP10 is an IP phone with a SIP speaker, 2 lines, 10 Guest Service Keys and 1 USB port.
The M Series Standard hotel phones are cordless and are available with 0, 5, or 10 guest service keys or 0, 3, or 6 on the RediDock remote handset kit. The USB charging ports on the phone and RediDock support smart device recharging. OneTouch voice mail retrieval automates guest messaging. AutoSync registers RediDock handsets with the base to eliminate connection failures and misplaced handsets.
