Digium 1ACC24PPP Patch Panel

Product Name: Digium 1ACC24PPP Patch Panel

Manufacturer: Sangoma

Model Number: 1ACC24PPP

Digium 1ACC24PPP Patch Panel
The 19" 1U, rack mountable patch panel features a 50-pin male connector and its 24 female
RJ-11 connectors are wired with two conductors for single line operation. The 24-port patch panel
is used in combination with the 6 ft 50-pin telephone cable to interface the TDM2400P card with
regular RJ-11 two-conductor telephone cables.
