Polycom VVX 411 Skype For Business Edition Gigabit Media Phone - Improved memory and processor

The Polycom VVX 411 Skype For Business Edition is mid-range professional VoIP Desktop Phone, with 12 lines and 3.5" colour LCD display, ensuring that it will be a perfect fit for secretaries, salespersons and executives alike. With 12 programmable buttons and 4-speed dial buttons, alongside its 320x240 display and 4-directional navigation buttons, the phone's user interface is intuitive and easy-to-use. This version of the VVX 411 is compatible with the Skype for Business service. This entry level 'always on' phone enhances your communications options over just using a Skype for a Business client with a headset.Polycom VVX 411 Skype For Business Edition Key Features
