Jabra Evolve 65 UC Mono Dual Connectivity Wireless Headset
The Jabra Evolve 65 UC Mono is a professional wireless headset with dual connectivity and amazing sound for calls and music. The Evolve 65 UC Mono improves your conversations and helps you concentrate, as well as featuring flexibility to move around freely while working (up to 30m/ 100 feet away from the phone device) and no interfering cords when working at the PC.
Jabra Evolve 65 UC Mono Key Features

ï¿½ Freedom to multi-task
ï¿½ Stay in the zone to avoid interruptions
ï¿½ Always connected
ï¿½ Convenient charging and storage
ï¿½ All-day comfort
ï¿½ Works with all leading UC platforms

Stay in the zone and avoid interruptions The Jabra Busylight helps you to cope with the challenges of an open office environment and let people clearly know that you are on the phone. The indicator turns red when you are on a call and keeps you from being interrupted. Always connected Don't miss a call and listen to music from you preffered device using the same headset. Connects simultaneously to two phone devices via Bluetooth, letting you stay connected to both your web browser based phone and your mobile phone at the same time. Enabling you to play music or take calls from both devices, using the same headset. Convenient charging and storageComes optional with a charging stand, providing easy and convenient charging and storage.
