

Product Name: Snom D715 IP Phone - White (D715W)

Manufacturer: Snom Model Number: D715W

Please Note: This product is on Pre-Order. Please see the Snom D715 IP Phone for an

alternative.

Please Note: snom IP Phones do not include a mains power supply. If mains power is required, this can be added via the drop down menu above.

Snom D715 IP Phone - White (D715W)

The Snom D715W provides high-speed connectivity thanks to its Gigabit Ethernet switch. The Snom D715W comes complete with 4 SIP accounts, Gigabit switch and a USB port. Snom D715W Key features

ï¿1/2 4 SIP accounts

ï¿⅓ Gigabit switch

ï¿⅓ USB port

ï¿1/2 Wideband audio

� 5 configurable function keys with LEDs

Featuring a four-line black and white graphical display, the Snom D715W also has four context-sensitive keys and an intuitive, user-friendly menu. Five programmable keys with built-in LEDs for visual call indication give the user flexibility with each function key configurable for a variety of one-touch telephony functions such as speed dial, busy lamp field, or presence indication.
