

Jabra Pro 930 Duo 1.88-1.9 GHz EU standard DECT Headset

Product Name: Jabra Pro 930 Duo 1.88-1.9 GHz EU standard DECT Headset

Manufacturer: Jabra

Model Number: 930-29-509-102

Jabra Pro 930 Duo 1.88-1.9 GHz EU standard DECT Headset

The Jabra Pro 930 Duo is an easy to use, professional wireless headset with great sound making it ideal for contact center agents and customer service advisors.

Jabra Pro 930 Duo Key Features

- Stay connected to your customers around the office
- Enjoy clear sounding calls
- Up to 120 meters/395 feet¹ range and 8 hours battery time
- Our most user friendly professional wireless headset
- Easy to deploy and manage
- Options for desk phone and soft phone users

Stay connected to your customers around the office

Take calls from the desk phone directly on the headset. Available in DECT and Bluetooth[®] versions, with several mono and duo¹ variants for both desk phones and softphones.

Enjoy clear sounding calls and user safety

With HD voice, noise-reducing speakers and a noise cancelling microphone, you can hold lifelike, vibrant conversations. Jabra SafeTone[™] enhanced hearing protection technology limits average volume exposure during your working day to keep it within acoustic standards.

Catch customer calls all day

Walk and talk up to 120 meters/395 feet¹ away from your desk for improved collaboration, multi-tasking and productivity. The Pro 900 delivers a minimum of 8 hours battery life with easy charging via the base unit.

Intuitive design for fast user adoption

This plug and play headset comes with a pre-connected charging base so you can make calls straight away. The lightweight frame, leatherette ear cushions and adjustable headband and microphone boom ensure the headset is comfortable all day long.
