Netgear Orbi Whole Home AC2200 Tri-band WiFi System (CBK40)

The Netgear Orbi CBK40 comes with an Orbi Router with a built-in Cable Modem and a Satellite. Easily set up and create a whole home mesh WiFi system that delivers unparalleled WiFi coverage. It covers homes up to 4,000 square feet with strong WiFi signals. Innovative Tri-Band WiFi helps maximize the Internet speeds available in your home. This system now includes NETGEAR Armor™, advanced cyber security for all your devices. Enjoy better WiFi. Everywhere. Netgear Orbi CBK40 Key Features

- Super-fast 2.2Gbps WiFi for homes up to 4,000sqft

- CableLabs DOCSIS 3.0 Certified

- Up to 32X faster Internet than DOCSIS® 2.0 for smooth, uninterrupted connections

- One WiFi Network. Enjoy the convenience of a single WiFi name for your whole home.

- Better WiFi with two-in-one Cable Modem + WiFi Router that eliminates cable modem rental fees.

- CircleK with Disney Smart Parental Controls lets you easily manage content & time online on any device.

NETGEAR Armor empowers you to eliminate vulnerabilities or simply know the status of your home network and devices, anytime, anywhere. Get instant notifications when malicious threats are detected, block unknown devices from joining your Orbi home network or take action on vulnerabilities as they are discovered easily through the Orbi App.
