

## Logitech Rally 4K PTZ Camera Only (960-001227)

Product Name: Logitech Rally 4K PTZ Camera Only (960-001227)

Manufacturer: Logitech

Model Number: 960-001227

Logitech Rally 4K PTZ Camera Only (960-001227)

The Logitech Rally combines world-class Logitech optics and 4K sensor with whisper-quiet mechanical pan, tilt, and zoom functions and high-end materials suitable for any professional setting. With razorsharp 15X HD zoom, expansive 90° field of view, and truly phenomenal video quality, Rally Camera captures every person in the room with amazing clarity.

Logitech Rally Key Features

- Top-of-the-line stand alone PTZ video camera
- Up to 4K Ultra-HD video quality at 30 frames per second
- Logitech RightSight camera control
- Logitech RightLight technology
- 90° field of view with mechanical pan (±90°) and tilt (+50°; -90°)
- Premium Logitech-engineered glass lens
- Autofocus
- RF remote control
- 3 camera presets
- Plug-and-play USB connectivity
- Multiple installation options
- Upside-down mounting
- 15X lossless HD Zoom
- Kensington® security slot

Logitech RightSight™ camera control\* automatically moves and adjusts the lens to comfortably frame participants in rooms of all shapes and sizes while Logitech RightLight™ technology optimizes light balance to emphasise faces and render natural-looking skin tones, even in dim or backlit conditions.

Rally Camera offers versatile mounting and cabling options for easy installation and integrates seamlessly with existing audio infrastructure. Plus, USB plug-and-play ensures compatibility with every leading video conferencing software platform with no additional software required.
