

Yealink MP50 USB Phone Microsoft Teams Edition

Product Name: Yealink MP50 USB Phone Microsoft Teams Edition

Manufacturer: Yealink

Model Number: MP50

Yealink MP50 USB Phone Microsoft Teams Edition

The Yealink MP50 is a brand-new and affordable USB phone which can integrate a variety of devices into a single phone via USB wired connection and Bluetooth wireless pairing, creates an all-in-one UC workstation. The MP50 features a 4.0-inch capacitive touch screen and the Teams-tailored experience, providing you with a UC calling experience on PC and Mobile.

Yealink MP50 Key Features

- 4.0 inch (480 x 800) Capacitive Touch Screen
- 3-ports USB 3.0 Hub
- Supports Bluetooth Headset
- Supports BT50 Dongle for PC
- Supports Busylight
- Optimal HD Audio
- Yealink Noise Proof Technology
- Full-duplex Hands-free Speakerphone with AEC
- Dedicated Teams Button
- Microsoft Teams-tailored User Interface
- Teams and Skype for Business Compatible

Plug and Play, Always Ready for UC Callings

Compatible with Microsoft Teams, Skype for Business and multiple mainstream UC applications, the MP50 USB phone will be automatically recognised after connecting to a PC or mobile phone, and be ready for placing or receiving calls instantly with the intuitive UI.

Simple and Clear UI

On the 4-inch touch screen, the connected devices could be managed through simple clicks. For calling controls, the Yealink MP50 offers both a hard key pad as well as the touchable display for call answering, holding, muting and speaker mode, which provides a well-ordered working experience and delivers a unified, intuitive and visible interactive experience.

HD Audio Quality, Sound Professional and Noise-free

Thanks to Yealink Optima HD voice and Yealink Noise Proof Technology, the MP50 delivers a crystal-clear voice communication experience for every user in an open workspace or common area. The full-duplex hands-free speakerphone with AEC also presents immersive sound for either hands-free calling or music.
