Better calls, seamless collaboration Jabra have made the incredible call performance of the Evolve series even better, with an advanced digital chipset that's three times more powerful and three strategically placed professional microphones, filtering out 23% more background conversation noise from your calls. Bigger speakers, better chipsets, brilliant audio – you'll never miss a thing, thanks to powerful leak-tolerant 40mm speakers and Jabra's most advanced digital chipset ever, delivering outstanding audio that always keeps you in the loop. Noise isolation like never before Put on your Evolve2 65 and feel the noise around you instantly fade. Memory foam oval ear cushions and pioneering new angled design cancels 48% more of the noise around you. Guard your focus zone with an improved busylight New and improved busylight is four times more visible, allowing you to be seen from every angle, for even fewer interruptions. Work wirelessly, wherever When you work on the go, you need a headset you can rely on. Jabra's advanced battery efficiency technology and new digital chipset have helped to squeeze a full 37 hours of juice from this powerful wireless headset. But there's also an optional charging stand – just in case. Optimised for all-day comfort Jabra have designed the perfect shape using biometric measurements from hundreds of heads, added soft memory foam cushions that mold to your ear's natural contours, and assembled it using durable, premium materials.
