

Yealink WH66 Mono Teams Workstation DECT Wireless Headset

Product Name: Yealink WH66 Mono Teams Workstation DECT Wireless Headset

Manufacturer: Yealink

Model Number: WH66 Mono Teams

Yealink WH66 Mono Teams Workstation DECT Wireless Headset

The Yealink WH66 is the Industry-leading DECT wireless headset, with WH66 Dual and WH66 Mono two models, opening an entirely new form of desktop collaboration. Work seamlessly with major UC platforms and integrate natively with Yealink IP Phones. 4.0 inch (480 x 800) capacitive touch screen of base offers newly work experience, just one touch, all control. Act as a workstation, managing phone calls, connecting with multiple devices (desk phone/mobile phone/computer), charging mobile phone wirelessly, and even playing a speakerphone's role. Best of all, deploying such a multifunctional workstation only needs to plug directly. Easiest things to do, greatest convenience to enjoy.

Yealink WH66 Key Features

- 4.0 inch (480 x 800) capacitive touch screen
- Yealink Acoustic Shield Technology
- 2-ports USB 3.0 hub
- Optional Qi Wireless mobile phone charger
- Crystal speakerphone
- Teams and Skype for Business compatible
- Optima Audio Experience
- Multiple Devices Connection
- Customisable Busylight
- Speakerphone Mode

Deliver HD Voice with Yealink Acoustic ShieldWith Yealink Acoustic Shield technology, the headsets could well filter out background noise by 2x microphones while you are on a call, which provides a HD voice quality for your listeners, and ensures distraction-free conversation. **Match your Platform**Thanks to the broad compatibility of Yealink personal collaboration devices such as headsets, speakerphones and USB cameras, users can enjoy consistent call experience across UC platforms, which promises better communication quality, higher productivity and lower IT costs. Certified for Microsoft Teams, the devices designed with a dedicated Teams button for activating Microsoft Teams with one touch.

Stay Focused and Enhance ProductivityProviding a visual cue and indicator that help to reduce distractions and eliminate interruptions, which promises your ideal productivity. **Intelligent Mute Zone**When raising the Mic-Boom to within 30 degrees, the headsets will automatically activate mute function, ensuring that you can easily switch to a private conversation. **Ensure Communication with Comfort**To meet various preferences of users, Yealink created the lightweight designed headset with adjustable headband, replaceable ear cushions, and two wearing styles, namely mono and dual options to ensure all-day comfort.
