Yealink BH72 Key Features:

- Retractable hidden microphone arm
- Multiple microphones Acoustic Shield Technology
- Excellent audio experience and all day wearing comfort
- Dual-side busylight for full visible angles
- Up to 40 hours wireless battery life
- Qi wireless charging

Featuring an elegant design, the Yealink BH72 series of Bluetooth Wireless Headsets comes equipped with Yealink's distinctively crafted retractable concealed microphone arm using a magnetic sliding mechanism. Effortlessly extend the microphone boom arm for top-notch audio quality or discreetly retract it for a sleek look. This headset simplifies your music enjoyment and readily adjusts to different outdoor endeavors.

Multiple Microphones Acoustic Shield Technology With Yealink Acoustic Shield Technology, the two Microphones built into the BH72 block the background noise automatically but ensure the caller's voice be heard clearly, greatly boosting communication efficiency.

Unparalleled Music and Calling Experience Designed for music and calls, BH72 supports dynamic EQ to automatically switch between call mode and music mode. The new angled ear cushion design and oval memory foam isolate the ambient noise, bringing excellent passive noise reduction and creating the best listening experience.

Multi-functional Wireless Charging Its long battery life offers up to 35 hours talking time, saving users from searching for a charger. The optional Qi charging stand for the BH72 provides easy charging whilst keeping the device on the desk. This same charger works for any device that supports Qi – like your mobile phone.

Visible Busylight for Ultra-wide Angle Visibility Indicators built-in in both sides of the BH72 automatically glow red when you make a call or attend a meeting, reducing external interference. Focus on the conversation. The BH72 range is available in both UC and Teams variants. Platform selection can be either via the choice of the unit purchased or via Yealink Connect USB software.
