

Yealink MP54 IP Phone Zoom Edition

Product Name: Yealink MP54 IP Phone Zoom Edition

Manufacturer: Yealink

Model Number: MP54-zoom

Yealink MP54 IP Phone Zoom Edition

The Yealink MP54, which is certified as a Zoom Phone Appliance, has native Zoom Phone and Meetings capabilities, allowing users to communicate easily with premium video (receive only), audio, and whiteboard features.

The MP54's responsive 4-inch touch screen displays a nice and intuitive UI with the built-in native Zoom application, allowing meeting schedules to be synchronised and managed with simple touches, making collaboration more efficient and easy than ever.

Yealink MP54 Key Features

- Android 9.0

- 4 inch (800 x 480) Capacitive Touch Screen

- Optimal HD audio, Yealink Noise Proof Technology

- Magnet Handset

- Bluetooth Headset via BT41

- Wi-Fi via WF50

- USB Type A port, Supports USB Headset

- Dual-port Gigabit Ethernet, Supports PoE

- Supports Yealink/Unify Square Device Management Platform

Excellent Calling Experience

To deliver crystal-clear voice communications, the MP54 combines professional hardware and software technology. The MP54 provides an outstanding audio experience for more efficient and productive calls thanks to Yealink Optima HD voice and Noise Proof Technology, as well as a full-duplex hands-free speakerphone with AEC and a HAC handset.

Ease of Use

The MP54 has a 4.0-inch capacitive touch screen and is fully compatible with Zoom for a consistent calling and meeting user interface, allowing you to seamlessly extend operations to your desktop computer. One USB 2.0 port is available for USB headsets and a Bluetooth dongle. It allows the user to get up from their workstation and continue conversing while using a Bluetooth or USB headset.

Simplify Deploy and Manage

The MP54 provides deployment flexibility using Yealink and Unify Square deployment tools, as well as auto-provisioning, making it easier to deploy, administer, upgrade, and maintain.
