Manufacturer: -

Model Number: BH72 Lite MS Black USB-A

Please Note: This product has been discontinued. For an alternative, please see the Yealink BH76.

Yealink BH72-LITE Wireless Bluetooth Headset

The Yealink BH72-Lite has a stylish appearance, with high-definition audio quality, retractable hidden microphone arm technology, and Yealink Acoustic Shield Technology supported by dual microphones. It allows users to quickly transform any place into an office, providing the user with a mix of both high-definition professional audio and optimised music playback experience. The BH72-Lite is also available as the Business version (BH72) which supports an optional multi-functional wireless charging stand.

Yealink BH72-Lite Key Features:

- Bluetooth wireless headset with triple connectivity: smartphone, PC and desk phone
- Compatible with MP Teams desk phone series
- Up to 35 hours talk-time and up to 40 hours music time
- Optimised for Microsoft Teams
- Noise-cancelling microphone: Yealink Acoustic Shield Technology
- Retractable magnetic boom microphone

With a stylish appearance, the Yealink BH72 Bluetooth Wireless Headset series is equipped with Yealink's uniquely designed retractable hidden microphone arm with magnetic slide. You can easily pull out the microphone boom arm to obtain professional audio quality, and can easily hide the microphone boom arm to obtain a stylish appearance. It allows you to enjoy music more simply and can easily adapt to various outdoor activities.

Multiple Microphones Acoustic Shield Technology With Yealink Acoustic Shield Technology, the two Microphones built into the BH72 block the background noise automatically but ensure the caller's voice be heard clearly, greatly boosting communication efficiency.

Unparalleled Music and Calling Experience Designed for music and calls, BH72 supports dynamic EQ to automatically switch between call mode and music mode. The new angled ear cushion design and oval memory foam isolate the ambient noise, bringing excellent passive noise reduction and creating the best listening experience.

Visible Busy Light for Ultra-wide Angle Visibility indicators built-in in both sides of the BH72 automatically glow red when you make a call or attend a meeting, reducing external interference. Focus on the conversation. The BH72 range is available in both UC and Teams variants. Platform selection can be either via the choice of the unit purchased or via Yealink Connect USB software.
