Logitech TV Mount for Video Bars (952-000041)

Attach Rally Bar, Rally Bar Mini, or Rally Camera to almost any display with VESA mounting points.

Logitech TV Mount Key Features

- Clean cabling
- Fits most displays with VESA
- Flexible and flush
- Perfectly parallel
- Floats below display

### Clean Cabling

Whether mounted above the display or below, thoughtful routing keeps cables securely connected and out of sight.

### The Right Angle

In rooms where above-display mounting makes sense, the 10° video bar tilt down adapter delivers a room-wide view with the right angle for video meetings.

### Fits Most Displays

With a versatile swing-arm design and industry standard VESA compatibility, TV Mount for Video Bars works with wall- and cart-mounted displays up to 248.92 cm in size (measured diagonally).

### Flexible and Flush

Adjust mounting depth by up to 50 mm to fit a wide range of display thicknesses and wall standoffs.

### Perfectly Parallel

Engineered for perfectionists. The built-in angle adjustment lets you precisely align the level of your video bar with the display.

### Floats Below Display

Save space and clear the credenza by floating Rally Bar, Rally Bar Mini, or Rally camera below the display.
